EXPERIENCE

Research Assistant, Mothitor Project

Smith College

May 2025 – Jul 2025

Northampton, MA

- Collaborated with faculty to develop and analyze datasets for the Mothitor Project, a biodiversity initiative tracking moth population trends and extinction risk.
- Collected, cleaned, and visualized 1,000 moth images using R and Excel to track population shifts and habitat changes.
- Presented findings in a written report and team meeting, contributing to ongoing biodiversity monitoring initiatives.

Program Intern

Copper Rose Zambia

Feb 2024 – Jun 2024

Zambia

- Analyzed 2,000 data records to evaluate program effectiveness for Coaching Boys Into Men, a USAID-funded initiative focused on instilling positive masculinity in boys aged 10 to 14.
- Coordinated weekly staff meetings and facilitated HIV testing and awareness campaigns.

Library Assistant

Smith College Library

Jul 2025 – Present

Northampton, MA

- Maintain cataloguing, shelving, and digital archiving workflows to improve resource accessibility.
- Support student and faculty research inquiries, promoting data and literature literacy.

Secretary General

Pint For Life

Feb 2024 – Jun 2024

- Coordinated blood donation campaigns and secured \$10,000+ through grant writing efforts.
